

- Extreme slim and space-saving shape
- Compact driver-inside design
- High power up to 100 lm/W
- Long lifespan up to 40,000h
- Efficient cooling due to unique air-flow structure
- Easily changable lens: 15°/24°/36°optional

PF>0.9 Flicker-free

vAnti-glare

Colour Rendering Index: Ra > 90

High CRI design and without light spot,

Colour tolerance: SDCM 3 initial

Service life: 40000 hrs 5 years warranty

Aris Track Light is an ideal product for applications such as high-end Hotels, Shops, Retails, Museums and Exhibitions, etc.

Technical data

Wattage	20W
Voltage	AC200~240V
LED Light Efficiency	120lm/w
Luminaries Lumen(lm)	A:2000±10% B:1800±10%
CCT(K)	3000K/4000K/5000K
CRI	Ra90
Dimming control	Non-dimmable
Beam Angle(°)	15°/24°/36°
Ingress protection:	IP20
Single package dimensions	(LxWxH):85x78x265mm
Outer package dimensions	(LxWxH):445x332x285mm
Qty:	20PCS/CTN

- Power off before replacement
- Do not in violation of any fire regulations when using
- Consult competent electricians for technical support
